Banking Services in Hot Springs.

It seems Capitol Bank downtown will close their branch here in town on May 24th. We may not have a brick and mortar banking institution in town at the moment but other ATM's throughout town will help fill the void.

There are several ATM's in town including one being maintained at the bank's current location on Bridge Street; Another one at *Bluff Mountain Outfitters* on Bridge Street; And another at *Triangle Gas Station*.

Series of Interviews of Townsfolk *Faces of Hot Springs*

You'll enjoy these heartfelt stories written by avid trail hiker Arnold Bloodhound Guzman. His series begins with an introduction, after which you will find links to interviews with Mayor Sidney Harrison and Police Chief David Shelton.

He writes with style and good humor, discussing perspectives on Appalachian Trail hikers and their travels through our town.
